STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Sir:

A Notice of Allowability dated May 31, 2007 included an Examiner's Amendment, Reasons for Allowance, and an Interview Summary Form. The following is a statement of the substance of the interview provided by the Applicant.

Interview Summary

Examiner Hai Vo initiated an interview on March 26, 2007 with the undersigned. Claims 29 and 32 were discussed. Additionally, U.S. Patent No. 4,999,385 and JP 09-087057 were generally discussed. The Examiner requested an amendment increasing the lower value for the electrical resistivity for claims 29 and 32. An agreement was reached to amend the lower electrical resistivity value from $1.E^{+00}$ ohm-cm to 15 ohm-cm for claims 29 and 32. Further, the Examiner requested a terminal disclaimer disclaiming the terminal portion any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 7, 192, 537.

It is not believed that any extensions of time are required. If extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned for under 37 C.F.R. §1.136(a). Applicants believe that no further fees for net addition of claims are required at this time. Any fees required for extensions of time and any fees for the net addition of claims are hereby authorized to be charged to Deposit Account No. 503310.

Should the Examiner feel that there are any issues outstanding after consideration of this interview summary, the Examiner is invited to contact the Applicant's undersigned representative at the number below.

Respectfully submitted,

Philip D. Lane
